Greetings Golfers!

As a valued customer of Sittler Golf, I wanted to let you know about the 5th annual golf tournament the Morning Call is putting on to benefit the United Way of the Lehigh Valley. The date of this year's tournament is **Monday, September 21st at Berkleigh Golf Club**. Because of partners like Sittler Golf and other donors, we have great prizes to give away including great golf gear, autographed professional sports memorabilia, restaurant gift cards, and much, much more!

Attached you will find a registration form outlining the event which will be a scramble. We will be accepting the first 30 paid foursomes and then, as we have done in each of our first four years, start a waiting list. If you have any questions or need more information, please contact me at (610) 820-6798 or curt.mosel@mcall.com or my co-chair Denise Zemanick at 610-820-6182 or denise.zemanick@mcall.com.

Thank you and I hope to see you on Monday, September 21!

Sincerely,

Curt Mosel
Tournament Director
